

and

are joining together to collect gently-used Halloween costumes for kids in the Greater Norristown area.

*Help us collect 1,000 costumes for kids in this deserving community!*

## **How you can help:**

**Hold a costume drive** at your school, business, camp, scout troop, religious group, special event or organization. We'll provide the collection box and signage. Logos, photos and flyers are available on our Web site, [TheHalloweenHelpers.com](http://TheHalloweenHelpers.com).

**Volunteer:** Help distribute and/or retrieve costume collection boxes, sort and label costumes, or help out at our mid-October costume distribution events at the Greater Norristown PAL.

## **Collect just a few costumes from friends and family:**

Halloween costumes must be clean and gently-used; infant through adult sizes; individually bagged; labeled with the following information: gender, size, type; complete costumes preferred (What is a pirate without his eye patch? A princess without her crown?). Check our Web site for collection locations, dates and times.

**We are open to any and all ideas!**
